

JACK JACKTER INTERMEDIATE SCHOOL
2022 DAY OF SERVICE
FRIDAY, APRIL 21, 2023

Dear Families,

On Friday, April 21st, JJIS will be participating in a [school wide service day](#) where we will come together as a school community to make a difference for others.

The projects and donations this year were developed by classrooms and focused on a topic of concern in our school, town, and world.

Our hope is that students will have an opportunity to learn from each other through the projects they have created to raise awareness, funds, and thus make a difference right here at JJIS.

In preparation for this day students and community members are invited to find and bring in as many or as few of the following items to help a variety of causes.

- ☐ **Pet food** for the Connecticut Humane Society
- ☐ **Loose change** or a small monetary sum for various non profits
- ☐ **Personal care items** to donate to the New London Homeless Hospitality Center. Items may include soap, toothbrushes, toothpaste, razors
- ☐ **Snack food items** for the JJIS food pantry
- ☐ **Plastic spoons, cases of water, flip top canned food, boxes of granola bars, gallon zipper bags** to create Blessing Bags for students to distribute to the homeless
- ☐ **Non-perishable food items** for Colchester Food Bank
- ☐ **Clothing items** to donate to the Salvation Army

Please know that this day is a purely voluntary and motivational way to celebrate each other and give back to our community. We thank you for your time, efforts, and continued support!
